# BITICA SEBASTIAN

## Computer Science Student

I am a dedicated Computer Science Student, passionate about expanding my knowledge and skills in Software Engineering. I am driven to continuously improve and grow, always seeking new challenges and opportunities to enhance my expertise.

## EXPERIENCE

### ● Server JUN 2023 - OCT 2023

#### de Lazy Lizard - Ocean City, USA

- Effectively managed multiple tasks, showcasing strong organizational skills and adaptability in a fast-paced setting. Collaborated seamlessly with team members to ensure a cohesive and efficient workflow.

### ● Cloud laboratories APR 2023 - JUN 2023

#### Bitdefender - Timisoara

- Learning about cloud technologies such as: Docker containers and container orchestration, FastAPI for developing and deploying REST APIs, Redis, Prometheus, Grafana, MongoDB.

### ● React Native Development OCT 2022 - APR 2023

#### Google Developer Student Club

- Learned React Native development and actively collaborated on GitHub projects. Gained hands-on experience in cross-platform app development and efficient code collaboration, preparing for impactful roles in software engineering.

## CONTESTS

### ● HackTM - Hackathon MAY 2023 Timisoara

- Awarded by Continental for creating an in-car app for entertainment. Our app "Car-aoke", is a fun and competitive way to sing songs with your friends.

### ● ITEC - Hackathon APR 2023 Timisoara

- Created a mobile app "Timisoara Events" that you can use to see upcoming events in Timisoara. Developed with React Native, Expo, JavaScript and Firebase.

### ● ITFest UVT - Hackathon DEC 2022 Timisoara

- Won 1st Place for our "I'm Here" mobile app that users can use to interactively check-in to classes in University (BeReal style).
